200+

BUSINESSES GROWN

94%

FEWER MISSED CALLS

14 Days

TO LAUNCH

The numbers do the convincing.

94%

average reduction in missed calls
once AI voice answering goes live.

200+

Local businesses live on StanWeb

14 Days

Average time from call to launch

30 Days

Money-back guarantee, no fine print

Every unanswered call finds your competitor instead.

WITHOUT STANWEB

- ⊗ Parallel calls go unanswered
- ⊗ Phones go silent after hours
- ⊗ Customer calls your competitor

WITH STANWEB

- ✓ Every call answered, instantly
- ✓ AI receptionist works 24/7
- ✓ Booked before they hang up

Four systems. One partner.

AI Voice Calling

Never miss a lead, day or night.

Free Business Consultancy

We find what's costing you revenue.

Website + AI Booking

A free revamp with a bot that books.

AEO / GEO Ranking

Get recommended inside ChatGPT & Gemini.

No charge until your MVP is delivered

[Chat on WhatsApp](#)

A receptionist that never sleeps.

Handles parallel calls

Five ringing at once? All get answered.

Works after hours

Nights, weekends, holidays — always on.

Books in real time

Confirms straight into your calendar.

Live call — answered by AI

"Thanks for calling — how can I help?"

"I need a Saturday appointment."

"Saturday 3 PM is open — you're booked."

BOOKED & CONFIRMED

What you get, free — before you pay us anything.

Where you're losing revenue

The exact leaks in calls & bookings.

How to grow revenue

A clear plan — what to fix first.

What's going wrong operationally

Every gap in your setup, mapped.

Completely free, no strings

Proving our value before you commit.

No charge until your MVP is delivered
